**Philip J. Berg is Appealing
to the U.S. Supreme Court
as Obama is "NOT" qualified
to be President of the United States**

[Lawsuit Against Obama Dismissed from Philadelphia Federal Court](#)

(Lafayette Hill, Pennsylvania – 10/25/08) - Philip J. Berg, Esquire, the Attorney who filed suit against Barack H. Obama challenging Senator Obama's lack of "qualifications" to serve as President of the United States, announced today that he is immediately appealing the dismissal of his case to the United States Supreme Court. The case is **Berg v. Obama, No. 08-cv-04083**.

Berg said, "I am totally disappointed by Judge Surrick's decision and, for all citizens of the United States, I am immediately appealing to the U.S. Supreme Court.

This is a question of who has standing to uphold our Constitution. If I don't have standing, if you don't have standing, if your neighbor doesn't have standing to question the eligibility of an individual to be President of the United States - the Commander-in-Chief, the most powerful person in the world - then who does?

So, anyone can just claim to be eligible for congress or the presidency without having their legal status, age or citizenship questioned.

According to Judge Surrick, we the people have no right to police the eligibility requirements under the U.S. Constitution.

What happened to ‘...Government of the people, by the people, for the people,...’
Abraham Lincoln in his Gettysburg Address 1863.

We must legally prevent Obama, the unqualified candidate, from taking the Office of the Presidency of the United States,” Berg said.

Our website **obamacrimes.com** now has **71.8 + million hits**. We are urging all to spread the word of our website – and forward to your local newspapers and radio and TV stations.

Berg again stressed his position regarding the urgency of this case as, **“we” the people**, are heading to a “Constitutional Crisis” if this case is **not** resolved forthwith.
